

# THE GREAT PLATTE RIVER ROAD ARCHWAY

## Trailblazer Education Program

The 350,000 Pioneers who followed the overland routes through Nebraska blazed new trails. Learn about the difficulties and dangers that they faced. Hear a story about the trails. As you travel through the Archway you will see landmarks from the Oregon, Mormon and California trails as well as the Pony Express and stagecoach routes. Discover why all of the trails stopped at Ft. Kearny, and how the Great Platte River Road got its name. Weather permitting, blaze your own trail through the TrailBlaze Maze.
